

PTkai: 00: Intro: Why Digital Technologies?

Video Name: What have our students been missing out on?

Presenter: Matu Ngaropo (Te Rarawa, Tuhoe, Ngāti Porou me Ngāti Kahungunu)

You may have heard people say that young people know all about digital technology, but many of them don't know what they don't know and often they base their views on stereotypes of the field. A devastating consequence of this is that some of the people most needed in the field don't even know that it might be an exciting option for them. Watch these videos from senior tertiary computer science students who nearly missed out on the whole opportunity.
